— presents —

Sunday, December 6, 6pm
at our Multi-Faith Music & Meditation Service

TRANS-PORTAL is a two man band whose goal is to awaken the inner mind and move the soul.

Trans-portal is

Phil “Shiva” Jones, vocalist/didgeridoo pro (founding member of the ‘60s/’70s British spiritual rock band *Quintessence*) and guitarist **Frank Evans**.

They are joined by our Unity Music Team for an evening of Sacred Chant infused with healing intention and devotion.

Portal’s performance was as if the bright light of Spirit was shining down upon the whole congregation.”
