Divine Interruption

What if those seeming blockages and interruptions are really opportunities to let God's power flow through you in unexpected ways?

A wooden boardwalk with railings leads through a natural landscape. The boardwalk is made of dark wooden planks and has dark wooden railings on both sides. The path leads into the distance, flanked by dry, brownish vegetation and some green shrubs. A shadow of a person walking is cast onto the boardwalk, moving away from the viewer. The scene is brightly lit, suggesting a sunny day.
